

ASBESTOS AWARENESS

Course Number
VEL0229

Time Required
65 minutes

Assessment
Formal (multiple choice)

Approvals
RoSPA & IATP

Asbestos is probably the most dangerous building material ever used. Every year thousands of people fall ill and die because of exposure to asbestos and it was widely used by the construction industry right up until the year 2000.

Recommended System Requirements

- Browser: Up to date web browser
- Video: Up to date video drivers
- Memory: 1Gb+ RAM
- Download Speed: Broadband (3Mb+)

The Control of Asbestos Regulations 2012 apply to employers, employees, self employed persons and duty holders and cover all work with asbestos containing materials. Regulation 10 of CAR states that every employer must ensure that adequate information, instruction and training is given to employees who are liable to be exposed to asbestos. This includes maintenance workers and others who may come into contact with or disturb asbestos.

Suitable for:

Care, Education
and Commercial

Modules:

- Properties and Risks of Asbestos Exposure
- Different Types of Asbestos
- Avoiding the Risks from Asbestos
- An Outline of Asbestos Legislation
