

ASSESSING DISPLAY SCREEN EQUIPMENT

Course Number
VEL0230

Time Required
50 minutes

Assessment
Formal (multiple choice)

Approvals
IIRSM

Our display screen equipment courses are aimed at users of display screen equipment (DSE) and those responsible for assessing display screen equipment. A 'user', is anyone who regularly uses display screen equipment for a significant part of their normal work.

In practice, if you use display screen equipment continuously for more than one hour a day, then you're a 'user'.

Recommended System Requirements

- Browser: Up to date web browser
- Video: Up to date video drivers
- Memory: 1Gb+ RAM
- Download Speed: Broadband (3Mb+)

So what do we mean by display screen equipment?

The first thing most people think of is a computer monitor. But that's not the only thing it refers to Display screen equipment could also mean laptops, tablet PCs, televisions, smartphones, CNC control pads, portable diagnostic screens or equipment containing cathode ray tubes, or CRTs.

The Health and Safety (Display Screen Equipment) Regulations contain special directives covering DSE safety. Both employers and employee-users have responsibilities under the legislation.

This course fulfils your statutory training obligations and covers among other things, the correct way to set up and use your display screen equipment safely. Reducing the risk of work related conditions.
