

EMERGENCY FIRST AID AT WORK - LEVEL 2

Course Number
SC0102.1

Validity
3 Years*

Duration
1 Day

Optional Accreditation

Assessment
Formal

Delegates will learn how to apply emergency first aid techniques. They will practice basic life support using artificial manikins and be formally assessed to ensure that the training has been thoroughly absorbed. After passing formal assessment delegates will be certified as Level 2 First Aiders.

* Whilst the overall course is valid for 3 years, it is strongly recommended that the resuscitation component is refreshed annually.

Suitable for:

Care, Education
and Commercial
