

BASIC LEGIONELLA MANAGEMENT

Course Number
VEL0231

Time Required
75 minutes

Assessment
Formal (multiple choice)

Approvals
IIRSM, Gatehouse
Awards and CPD

Current legislation set out by the Health and Safety at Work Act along with the HSE's updated code of practice known as L8, state that companies and building owners have a legal duty to manage Legionella.

Recommended System Requirements

- Browser: Up to date web browser
- Video: Up to date video drivers
- Memory: 1Gb+ RAM
- Download Speed: Broadband (3Mb+)

Our interactive training course is aimed at all employers and staff to assist them in identifying the danger that Legionella poses, as well as covering ways to identify and assess sources of risk from Legionella on the premises.

It also gives you enough knowledge to get a Legionella control programme off the ground yourself – or make confident, informed choices when commissioning others to take this on for you.

Suitable for:
Care, Education
and Commercial

Modules:

- What is Legionella?
- Risk Areas
- Legislation
- Risk Management
- Water System Monitoring
- Cooling System Awareness
