

BASIC WOUND CARE (TRAIN THE TRAINER)

Course Number

SC0208.2

Validity

1 Year

Duration

1 Day

Assessment

Formative

Our Basic Wound Care Train the Trainer course is for those looking to train others in Basic Wound Care. Attending delegates will learn about wound etiology, phases & assessment, exudate, debridement and the choice of dressings and their application.

As with all of our Train the Trainer courses we will provide tuition on training methods suitable for in-house training of the organisations own staff. Delegates will gain sufficient knowledge to run their own engaging and compliant training sessions. At the training end all delegates will present a micro teach session and be assessed for their training delivery and Wound Care knowledge and training standard.
